

**KLA PAST PRESIDENT
REPORT TO THE BOARD
November 21, 2009**

Since my final report to the Board as President, I completed my duties as KLA President by attending the KLA annual conference, presiding at the Awards Luncheon and the Annual Meeting. I also attended the Actor's Theater Evening, Author Luncheon and KSMA Luncheon.

I contacted the chairs of all the KLA Round Tables informing them that I was their liaison to the Board. Two round tables do not have officers. The Support Staff Round Table has not been able to get new officers. The chair of the African American Librarians and Library Employees (ALLERT) Round Table had to resign due to health concerns. She is willing to help a new chair with providing a program for the fall conference. I intend to send out letters to all members of these two round tables soliciting leadership as well as placing information in IN-FO-CUS. I will report back in March on how this goes.

I attended the Executive Board Meeting in Frankfort on Friday, November 6.

At the request of the Executive Board, I have prepared Speaker guidelines for future KLA conferences and programs. It will address an issue raised by one of our vendors at the last conference and also allow us to have best practices in place to give to all presenters. They are attached to this board report and I will present them to the Board of Directors at the November 21 Meeting for evaluation, discussion and hopefully approval.

I have prepared the leadership orientation to take place prior to the November 21 Board Meeting.

Respectfully submitted

Debbe Oberhausen, Past President
2009-2010
